

T&C CIRRUSOFT

Established 1962 and still headquartered in Lucerne, Switzerland, BiCA AG is a leading provider of POS technology for gas stations, c-stores/retail and the hospitality industry. Our mission is to empower businesses all over the world with the most advanced cloud POS solution removing all boundaries of physical infrastructure. CiRRUS is BiCA's future-proof and cloud based POS software. CiRRUSOFT, Inc. is one of our Software Design Labs headquartered in Paolo Alto, California. Thus we are able to combine our solid experience with the visionary start-up mentality of the Silicon Valley.
